After the conversations with the president in his eye, his two tears shone, so he prayed Baba did not fall. In those days, they stopped next to a bearded painter and a disabled beggar with a wooden foot, Stanko Veselica, who from the last fall of Kivan, in the Nidle of the Tão, burned a wooden leg, so he screwed with Shrew. They were almost half a

žbogu Nice and terrible lives! March Moon, 1984. In the end, B Accio was published in front of him, he published the drawer of the saints and went to the stream to observe the fish, leaving them all in \tilde{A} " \tilde{A} " \tilde

century from these non-German days, no longer terms, and I have not known today, and still not know which are the following colors. They explained between Sã, who were, paid, shared chickens and, therefore, the new woman went to the children. The grandfather did not even recognize him. The last written of him said, were: Ã ¢ ¬ ¬ -

```
finds out about the atime of him, one night, he returns from the Parliament of the Church, publishes it for a donkey with human legs. Instead of the meadow, that the proletarian would not be, as well as all the sheep. And those winters, when
Branko returned from school, he found many many And how compensation of how to lie down in the middle of the room. Finally, Peter showed legitimacy, with the Eavan among the SÃ © wet years of life, Branko passed
the most exciting autumn of the days of the children and in the Tão del Otico In the village of HaÅ; ani. In Sarajevo, he completed the fourth grade, after all relations cracked, respectable man of his end, called "the grandfather did not
interest those stories to the hearing that came, so he came in the sake of a world that was in charge of of the moile and I have called
Dito Ironic. According to his origin, the theme commitment, the rural world of the country, the properties of the anthropological mentality of the characters, the description of the landscapes and the topography, conclude that ä â € Opiä Äœiå¡iå¡ki is a writer. He tried to jump from the grandfather to get Petakov's watch and showed him what they
were doing. Literary elements Literary rod: Epika Literary rod: Epika Literary Type: Practice Time: Previous work To the world and during the Place of War: Acci Ion and juvenile camera and Nonsent War Road Winter Introductory ReÃx The Zija Dizdarevic, writer who was killed in the Jasenovac camp in 1942, during his first time, for the first time, for the first time,
they were demonstrated at the top of the second IRA due to the position of postwar and life through the barge around the Granada. Zatoä: The first part of Stevan Batiä ‡, the old warrior, ä Ã" ovari, and a That hung in the war memorial. Most are the next but while she was in Due to politics or Banat for work. The children remembered in the
distance recognize the blue upper part of the bush, which reminded him of the pot of the house. After that, Mikan explains to the commander turned to call from the courtyard of the bush, which reminded him of the pot of the house. After that, Mikan explains to the soldier to throw a pump and enter how to light the cup. As the commander turned to call from the courtyard of the house.
Samardzija Petrak, Brother Sava and some other Potukac I. After two days, from the neighborhood house, "Laze Ugarä Jan, Sava stole a Photo of the president of the United States of America", Đ'иĐ» Ñ Đ¾Đ½. Dane Drmogaà "L: Tomà © a second part of a fall, under the old days of Radot, appeared in front of the house, the previous day of
Drmogaä ‡, in the blue. He registered at the school of teaching in Banja Luka, from where he threw him after his rebel discourse, in which he donated the social injustices, à ¥ å žrtva was his friend. Muå;kari sees a smaller spectrum of colors than women, but grandfather's work was the right exception. Although it is composed of many stories, filled
in different personalities, the collection represents the whole. In A... Preizer, there was something that is a horse "" "Seljaka with a backpack on his lenses and after a brief argument, he told him that he had a hundred hands, after his branko defend him. The next week From the morning, in the wooden box of Dedin, the razor was missing, a strap for
gardening, Bruce, a triangular file and the wafer of the candle that worked with the funeral. I was often lying on the prison of Bihac, once he has also seen "жĐ" иÑ. Miloà ¥  ¡Â¡, Lisac's method in this chapter is in the dialogue between the two best children: the Intendant Sakan called Dzacak and Mercy, the so-called Lisac. He often got
involved in trouble. Branko won glory to the intercom because he was with him and testified those conflicts. That night the next two and three days, he saw bleeding and blurred. All your song at the extremes around the personal border of co-bosnia in During days, for a long time it has been expelled to all thieves and criminals with the most
incredible publication. He worked as a miner in America. You! Branko \tilde{A} " \hat{a} \in Opic. "Knowledge and prizes they won for them are: \tilde{A} \hat{c} \neg prize), \tilde{A} \hat{c} \hat{a}, \neg \hat{A} \vee \hat{A} \wedge \hat{A}

returned, she found a new woman in front of the house. There were some Ãx Uro in the village, a rural spam and silver. SpasOje, Babino confirmed, a message in the war, left and returned to Grandma. The artillery Marko Medic Germany was capitulated, the war was celebrated since SEM in the Bosnian Triangle, which closed the river Sava, one of
its trunks and trenches, where weapons of war were collected. They were serbian volunteers, US miners and some glagpacks that have been chasing the policy. He first asked for the horses, then for the children (except Branko, there were two more in the family), and the women were considered boring, always the present patent. The recognition was
extracted by the Milanese commander released Pantelia to freedom because they had more important job. She finished primary school in Hanans, and the medium in Bihac. Second cycle (\\\"Día de Network changing") talks about war and post-war times. Brother Sava, after the belief that they worked in the drawer, got up, arrested his grandfather
in his hand, asking him to protect him from A -'Anand, justifying God, after of his head. I have a couple of days When Branko returned from school, the grandfather worked in the room and asked him to finish his watch, because if yes yes It is believed that Petrak is an animated one. Several people passed through his house, preparing the
entertainment on the occasion of the battle of twenty years in which all the hostile division was beaten. I only know that in the spring behind our darkness of the threads of the dough, something charming, breathable and lightweight, so it is only paid, although we do not know what makes it lost. From that day, he often caught her and looked at her
and looked at him differently. In spite of Brank's attempts to explain how these children now adult people, the old man continued looking for and spoke that he was not crazy, but he only needs to catch fire, so that they all came. The Brothers Sergeant Mikan in James with the Ustasha, while his brother Jovaà ¥ is going from the morning with a group
of Ustasasha who throws it down a window. The first time he came, fleeing from the bloom, he fell silent in the mill, where they were sitting a lot, looked at
the moon and enjoyed. He was afraid of herbs. Last Kalajdaå¾ija Kalajda¾ija Kalajda¾ija Kalajdaå¼ija Kalajdaå
new year in 1944. In this chapter, Dita took place to be a red fox, and Savin Nose said, while Sava affirmed that the fox was widely and its nose ruins. Petrak who has it, has the floor that in all the valley there is no deceiving who he fled the moon so fast. They work from Brdar every spring in the rich rural house that would come a new one more nele
and would bring pleasant or unpleasant changes. Å ¢ â, á¾baà ¥ Â; Đ¹ŏ½Đ ° IGU â, Å "Symbolic is the post-war job of Branko â € œ Blue color in the art of suggestive suggestive and machines. The male of the Sava two days of this event, Sava came to the
grandfather that was in the mill and found Samdwich Petrak and the bearded painter whom the drawer was looking for. He would come once in a year in  Â Opià to U, always in front of fame, the savory beyer is due. That night, the grandfather works, find out most of the manual approaches that follow the mill, he goes out to sleep. Characters:
 Low (Character and Writer of Branko-main), Deda Rade, Uncle Nidà ¥ o, Petrak de Samardzija, painter by Bradon, Roã "Ak Sava Sava - Playran, very mà dined, a cheerful boy. He considered him a great vergun to him for the sixth house of him and consulted with his brother of Sava, who did not have three and four times, but that was not useful. He
heard remote shooting, because enemies intercepted them. Once they were quoted with Brandy, and they remained awake for work at the end of the night. The next day, some soldier would escape from you. He was the human soul that loved the nuts. He was married to Bogdank-Cicom ILICA. He was very intelligent, although he was physically
heavily. His friendship was specially marked by a girl murmured from Dren's Bay, Draginja Keä, who would not find the views and prizes that she did not help Hajduci. A year, the flower of Dadi would look blue, and the other had to look like that. "He often knew how to discuss with his birthday, Sava Damjanovic. It seems that, with sadness in the
heart, he's looking for A young self, hoping that some day is so as well. They did not help you any boring of the tireless birth certificate, the grandfather was blind and for the colors and for all the flowers of this world. Some of the most stories Highlights are: "nžð¿ð¾ñ ... Đ½ĐμĐ¼Đ ° Ñ å" ", à ¢ â, ¬ ĐĐ'ĐμчÑ Ď ° Đ²Đ ° Đ» Đ ° Ñ Å ", à ¢ â, ¬ Â,
\tilde{N}, \tilde{D}^3\tilde{A}\tilde{N} \in \tilde{N}f\tilde{D}^2\tilde{D}, \tilde{D}^2\tilde{D} \tilde{D}^2\tilde{D} \tilde{N} \tilde{A}^2\tilde{C} 
church painting, and what was most difficult was to present it to the sacred course, while he kills the hearts. It could be said that this work, as well as many others, revealed the biography of Brank, since each chapter is inspired by the true events. After the long explanation, the commander tells him how he would send him to school after war in the
pessimistic party. When the party arrived, Stevan, in addition to the fence of the cemetery, rolled with the festivate the five flattering reinforcement, to pay his axt that was almost there. His father died when he had only four years, so the replacement for him finds him in his grandfather. He did not like to take him in his hands so as not to suffer it
and thought that seeing an hour was not a job for women, but for that "ã ¢ â,¬" a ¢ â,¬" a cage that was destined to ± o and the collapse of the Carevine Austro-Hãºngara. "He liked drinking and traveling, so we can say that he was a lunic. He is a man who was preparing the flesh in a lazy day, and when a stranger
with a white brad appeared at his door, he pushed it with the word that he was a donkey. The action of the story took place at night, he has a wins the same previously black. The grandfather is a very placement of masks, smokers and individual animals. They planned to wear
it in a woman's clothes and, therefore, expel through the variance. Since they ran for a long time, Branko guesses that he was "Haba" ", That, by seeing you in the image, fast, to remember his age and scare the deaths. Estación de Reà © the nearest bush was in favor of Arroyo Arroyo What has meant to be determined by the territory released. The
exception was the visits of Petrakova, for the moment, Branko pentrao by tree, he used to look at the antector and passed by MaÃz and Molino. He stayed a few days, drunk, was asking Redine Samara and left the Jeopia clock to make a zote that he earned, until the next. In this way, he was an incredible and brave man, who looks and that was the
trademark in the First World War. It is divided into two units: \hat{a}, \neg \hat{a}, \hat{A}, \hat{N}. \hat{N} \in \hat{D} \hat
the apostate, with his hurricane hurricane hurricane hurricane hurricane, gathering the old quests, since almost all copper was consumed to make war weapons. Precautions are intended for correspondence in an outlaw, which is hidden by Jataka to Jataka. The elbow, Savka returned to the child, leaving the commander and the surveying view. A donkey with the feet after the war,
Baba Sovia said he stopped prayers because he is punishable and more ¬¬¬, God, Å, ä ega is the sight of He is saved from the world does not make sense. However, people ignored him, and the cafeterÃa of him remained almost deserted. After what, some young people helped, he came to Jova and liked him without the help of him. He published his
first time by the leaf for the "Žpolitika" leaf, in which later he published 126 in 1941. The Baki souls bounced out of joy, so she made her pass by former spring. He cleaning up with a fourth year and sweeping with rabbits, dragging waves in the separation (where he was in love) and a dog that ran by automobiles all the way for you. Stuck until the
last years of the First War of the world of Dorrat led to the military camera, she knew that the military were weak. Do not ask for a Jazbeca Marko Benic held With his aunt in March. The composition is also bad, so due to lack of inspiration, they called for a higher arrest pajic, which is in the preselection of the speeches of the Song against the
Government Party. The same winter, Chomodes Zekan Vrati A "â € Opici has a horse, but blind. When he goes up along the last uphill, the Moon is lacked behind the trees, on the hair of the adjacent mountain, leaving the defendant and the disappointment. It was not useful, but he tried to deceive another song against the authorities. The exceptions
were the factory of peoples of the potoke, which was noise and the constant activity eliminated fear of the supernatural and, unlike dust and cemetery, which was offensively ordinary, the mills, then they showed their lives. Jovaå Eva Frog Sangeing, while Mikan took off his shoes, I feature his eyes with the ice tears. The society of him was kneeling
numerous people and thieves, the balls had the best day of Danet. In March 1984, the data is interesting that the book has 54 chapters, as many as the writer was years when he wrote a book. When Samardzija Petrak took the picture, the grandfather worked to ask another place to look for himself the Konak, instead of his house. The father of sight
was in his sprout in the Austro-hunaro, so he worked as the date of birth in the books of the Church, the second part of the book ", arises through s of chapigues and various stories, describing life and people during and after war. They tried to catch pigeons in the net, but they failed, so they played with ancient tools and machines. Its last milica
 woman He often loved drinking brandy. Dane Drmog: The first part of the grandfather, works as a good and obedient child lived in the area of military Krajina. That's why Hungary examined it. They called to help them Bake Brandy, and the Å Tab interrogated it because in those times of war, people believed only military government. The peacefu
and sunny male would act in particular. In what grandparents they would work. He mostly became embarrassed and hid it from the grandfather Radeta, which, although first and noticed. They smoke between Sã, remember the carefree days. In addition, I really liked a carefree dream. Branko says how he knows that the letter
will not come to the direction of him. Marko, also that he was released from the same town as Jazbec, launched the persecution for the same, thinking that he will bring him a glory. He sadness to catch you. That is why an unknown person became a donkey. The lack of war is shown through the scene of the Muslim grain, thrown by the enemy. When
the partisans entered the Varavide, they took him and scared him, as well as a lair. Branko has found in the Battalion, Interdant, Aunty and the intendant of the case of him when he was shot. In an additional fight, Petrak assures Rade how to get the horses better than people. The grandfather works, thinking that the girls took him to the official, he
was sitting quiet until midnight. Each week, he puts the Dorata bag and a step before the pass, the grandfather and the whole church in the country. His illusion collapsed one day when he spoke with "Vuku", A... A.4darijska, "who worked for", who worked for worked
"Vabé", about his new Miller Gran Jovi, so he was approached by the people that I à ¢, ¬ å½mlinarià ¥ `eà ¢ â, ¬ â, Â, with some mikaä. He executed suicide jumping from the Sava Bridge. He often warmed his lever in bed. Marko Benic was calm, quiet and retreat, until the wound magazine of the pilot ore had dropped by force the rotor, where he
was trapped, and the co-pilot of him Jazbec gave the passage. After a month, since it served the penalty in the container, "where they were beaten and interrogated, he went to Grandpa Rade and told him despite attacking that he remained faithful to his à ¢ â, ~ Verià ¢ Â, ¬ ", what tears has been done, is in that prayer to talk about childhood. They
were Branka's favorite. We learn that he turned to the work of Samardzia because her best friend has been kidnapped by a woman, in her grandfather, tears in the eye of that branko work per night. Petrak speaks that the horse is better than a child, that only a very good man may seem personally to a horse and that there is a Dorrat at the end of the
one, who spits the work. A Miheljdan year, the painter of the beard, Petar Samardà ¥ Ija and Raä ‡ Ak Sava met at Miheljdah. The red color symbolizes maturity, the timid objectives and in this collection and the Social was drunk and
stronger, the bearded painter with jumped and in a moment a block was taken to draw. The pen also wants to conclude that they are not considered traitors, but some of them, there is an impulse to return to blue pots, only one obey and others do not. Zija managed to feel the hair of à ¢ â, žapokaliptiä Neman with hair hair of deaths, Branko
gained circumstances. In 1945, one night after the joint venues, the grandfather, learned that the Nestler does not know anything about faith, so they can not cross. To the next day, he knew that he was bothering and awakening his brother all night, and grandfather, therefore, Brady Petrak. The commander of the Ramps Pantelija Haniä ‡ on the
ramp is legitimized to the passengers, in the chairs for individual women who hide in the mountains and ours, and are masked in officers, soldiers and peasants, and, by Therefore, crossing the area. Saints Rade to the Tão del Tão 
The hike moon in the fifth year of the life of him, Branko felt the world's blade and what Because the prohibitions came from all sides. Petrak Samardy's work and overcome horses. horses. people. What time is Ilija Corte, "Lan Krajiå; niä Hearrdo Kruma near
Bullec, and now he hid from Las Zanjas, concluded that his first hour, who received commanders who will do not work. In return, Branko recognized the conflict in himself, presented through a cold and unrelated woman who is standing next to him and that of the person, calaid and precious, will be filled unless Return to "Žputa" Å ". The
grandmother planned to judge in the uni river, but she first she wanted to organize the papers to cut off the Church and the Council of the Church learned that he probably passed through the one in Kaere to repair Samara. The survivors that about him, the Parliament of the Church and the Council of the Church and the Ch
the machine our came to the shelter of the Multraliesca Uvali, who was also Kraijsnik and found him dead in walnut shipwrecks, because he felt unfortunately. He later took care of cultural and educational work and was a correspondent of war. They sent Branka to buy brandy, they gave me the benefit of sitting with all the time with them. In the end
the machine gun escapes, a corporal and another soldier. While he looks at him with the wall of his room, the paint, the drawing mill, the barefoot on the bed with a branko, the favorite little grandson of Detino, to comfort him with frequency, since he often warmed his lever. Branko returned home and sent Grandpa, which caused the next day, in the
school courtyard, in front of the children of him, grandfather twisted by the teacher, who also cried. Â € copic is one of the few who managed to make love to people and manifest a positive and healthy humor through character lines, in dialogues. You are a horse in Brankova's house, each one has its own guests, and the guests are the higher tires.
DDA's work was very religious, traditional, rational, but also full of love. In Rural a Tab Branko, the member's secretary and other military persons were questioned by the Vokia panthena to the daughter-in-law, who claims to escape the corn. The work is dedicated to Zija Dizdarevic, the good friend of Branko's
childhood, who was killed in the Jasenovac camp. It was frágile health because he once gave him random fever. Belts on the Piscu Branko à "â € opiä ‡ is born at the end of 1914. The teaching was canceled, and the text messages of the grandfather Radeta are drained in Srespacia," where a week spent. The intervention of a day of Autumn restless in
1941. I distinguished myself only four basic colors, they described me as I was "and it's not a.". She sent Branko by Rake, after her head, went to the hill, while they were saying that said, she looked at him. Two children, the A "urajica and a milorad of fifteen years and thirteen, brought a sixth commander of Dusan, a stained automobile, who knew
how to console the relatives of the soldiers. Grandfather Rade A ¢ â, ¬ "Low is his in a favorite medium. In the inadequate commander, the calls Vidak, Konjokradic, who was in the season days, so he was inhabited there, to take care of the child. Although the Tão NidA ¥ did not like it, they worked from Brdar, over time he approached his grandfather
and often entered his room. When they left, the peasant arrived at Branka and went friendly with him, had to steal that he survived. Because the peasants as he fed, cared, to board and bury the soldiers. A day, Branka is at school learning or looking for an hour. Mom wine by godfather, before and aft with gifts, Dedi Rade Austrian A ¢ â, ¬ D¶N "ĐμĐ»
NeeD ± D ° ñ å "The Racema Lobo, Raä'ak Sava and many cosmatics of the elderly. The miner commander with two aids, in the station of Magician, in front of which the brandy jar, tried to think of a poem for Petra's condemned, who stole a child prepared. He often argued With Sava, a occasion in which the time of him is one ten times he knew that
childhood after many years, like the old man, gave me the place of birth. In the Blue Charter part of the Blue, the writer describes his childhood and the people of him who marked him. Later, they found old letters of love of war and observed it, in their eyes, "Åno žno ESS and that I did not know. In 1968, he was elected regular member of the
Serbian Academy of Science and Arts, Returning, He fell asleep with Kazan. The test is lying at Rade's house "â € opiä ‡ makes it possible as possible receiving notes that will serve the army, he will address him as witness of the house of Sava. He staved at his house for a while, and since he was incomoded and swollen in nature, he smiled with many
people: he expelled the Polish town courtyard, who learns the nickname of drmä ‡ a, gives his voice with the people; He got up for Pop, spent with the prince, he raised Toljag instead, attacked the teacher and the magpie of the patrol in the well, due to the wake and later. In those days, he ... -Despreco, he looked for the Chiris In the village, the
bearded painter, due to the unusual work of the crushes of the painting of the church, and they are " u Krad. The next one "Uräevdana learned it and the prayer of the letter, who wandered around all the tears and
will maintain all Souvenirs without changes, in a bigger brightness The joy of children. One Ivanjdan Veä Ari, Dorrat disappeared from Paå; nak. The event in the Sabka Black Milija, the rural crazy, was inflamed by the commander of the policeman with the son of him to be sent to how the child's father would even look at him. The grandfather worked
on them, but the decoration was not until the next night, they aged me in the mare. ROä'AK SAVA - BRIBible à "Ovek RuÅ¡ esteg, baburate nose. The municipality of the non-existent grandmother is a grandmother, may avoid Dalmatia during the war, so it was transported by Africa, and during the time, Grandpa Dane, her husband, he informed her
as dead, Damn, so he died alone. . She wanted several times and had many children. Finally, plumb, humiliated and annoying, in an affection, throws his pomegranate in front of Ro㠥 Lik's house, nobody knew at the hour, Sam Uncle Nidà ¥
â¼e, who is when he returned from the Front of Thessalonica, knew that he had gone through a little hand. Barbers in front of the museum This is a short chapter that describes the confiritation of Serbian soldiers and some authorities. Nobody mentioned the previous night event, it was only a stical Nidä A (who did not know anything), because he
stepped on the rake to someone left by Kazan, where they were not the place. In the courtyard, on the manus of Marijana. Discharged by the conflicts of the war, A "â € Opic at the mature age of his literary creativity with a privilege of his due and
finds comfort in the memories of childhood, that we learn from the introduction I ŽPSMO Zijia â, Å", very the essential part of the book. The third day at noon, the astute painter SEO is in front Color II Vitomir Pijic Qualified. It

page 2  © 1996-2014, Amazon .com, C⪠The time of the house arrived as: in the Miholjan, the Glory of Krsna that he celebrated, the grandfather of Radet's Petrak, Samardz, who had consumed the drink. He entered the partisan army and worked as a political commissioner. It is "It is the lack of sense of war and celebration due to the murder of
people, so they were enemies. The grandfather is working on a very desired knowledge that a man who works as a world of work as painting is Ácons, now the same hand paints his unworthy mare. The room finds an framed image of the sacred lobby in the Lazin Silver Branch, Stolen, and Vilson and King Alejandro at the lizon of the pork. In the first
grade of the school Primary, due to the influence of the grandfather in terms of colors, Branko has fallen into problems when the teacher responded that the wolf was green. Grandpa grandfather in terms of colors, Branko has fallen into problems when the teacher responded that the wolf was green. Grandpa grandfather in terms of colors, Branko has fallen into problems when the teacher responded that the wolf was green. Grandpa grandfather in terms of colors, Branko has fallen into problems when the teacher responded that the wolf was green.
repeats the same word as he, only, only in the soldier's response, I see that the difference is a young, inexperienced and horrible life. In a conversation with the Faculty of civil engineering students, it is attacked publicly and is considered inadequate political due to the opinions presented. The fire should be ordered through an unexpected bare
coastal vegetation, a branko of the elderly who escaped from the old house to look for blond girls. Surrounded by Mairs, lush vegetation and roads that lead to the house of the willagers (since everyone needed flour), declared the thoughts and ghostly actions, that the And some Acean wrote and draw in the mill of the mill, as long as his hand reached
them. Look at that, before taking it out, horses and riders that multiplies in this Saint A, A, writes a gold fairy tale on people. Until the police escaped from the town, she painted the villagers of the icons, I often go for the rays of the painter of the church. The next exuberant spring, the blind people were born as never until then, but the
grandfather worked because of the age he did not notice, nor another flower. The children in question of the Kuma Perajic godfather will survive and if they are now traitors. After a long and cheerful conversation, he still did not leave him behind the ramp without id. Painter Bradhonja: He had a long beard and was a vagabond. The blind horse, the
house of its end of each Gazdina would be given the time known for the negligence of him. He years in the town of Hanans near Bosanska Krupa. He was often directed by Branko in the mill, and in return he would say greeting as he returned from the Church Parliament. Zatoäœ: It was expected that the second part of the Station of A... Legeley was
expected that the president of the fighter fighter fighter went to a conference. This work was made by the library award of him, and the writer was characterized as "Anajolje, the biggest ligous poet when Serbian literature has had." Since then, Marijana grew up in a beautiful mare, and the Tão Nidà ¥ would have stopped even the song sometimes, but it
would stop in time. Dawn, she began to look for him, and as he did not find it, he returned to the house around the floor, start calming and fall to bed. They often had loved together because they liked them, but the story ended in Bosnia. The mates of the blue tall lakes of the color of the first chapter, the writer initiates the description of his radice
grandfather. A day in the cathedral of the grandfather, the audience of A "letters of urine, along with the assistants, and the desire to go to war. He liked to hear the history of adults, especially Grandpa Rade, who had the most comfortable relationship with. So, â € opiä ‡ to kaä ‡ Known by the CAME, ICEDO HORSE, where children in the Paånkk
 learned to ride. Vasilije thought that no one's cow took, what happened to him on his head when the peasant was era was Sinovac a cow spacer. He enrolled in the Faculty of Philosophy in Belgrade. People are German, Å1/2 kamarad, "renamed" Å "and went to a good friend. Where the intendants are also the thought of the warehouses, warehouses and
peasants, which is not responsible for evacuating war material or transporting the wounded, probably stolen, which was expressed forbidden. The nuts, the LAN of the Supreme Earth, the videos of the road, the large amount of walnut calescas, and then met with the KrajiÅinja Mitraljevica, who told her that the nuts were intended for the wounded,
but They were KrajiA \( \), she intercepted and despised the precaution, five were killed. from above. When Branko returned, the commander where the group's bombers should be sent: behind men, museums and clusters, the meaning of he who did not know. Passing, the president of the combat
fighters will begin the conversation with him in which we learn that Stevan is softly and will not go to the party. The Tão Nidà ¥ BC was drunk and fell asleep, and the grandfather worked contracted against the Will of
the Nidà ¥ ä ‡ was working from Brdar. The Mlin Poto Ra in each town, even in him, there were legends about terrible times, death, losing due, and that they were binding for cemeteries and other distant and abandoned places. The commander met his godfather Peter, who transported four women. He loved a lot to drink and contradict Grandpa
```

Rade. Branko concluded that there was no place in the world for the bombers and for children municipalities, while the machine told his rä ak that he was on the machine told his rä ak that he was on the machine told his rä ak that he was on the machine acrucial word. The next spring, exuberant and rainy, shower in our grandmother flood like never until then, but the old house as if she had not noticed. Only an observed time observed by amazement, as a living and wise thing. She liked drinking. Given the fact that the majority of the objects and the living of the colors "St â, ¬" and is not a color, the grandfather often worked in conflicts. He seemed that he was still listening to something more, and only Branko knew what. The school of teaching ended in Karlovci. Everything was fine, under the old man, good heaven. They work and the house, they shaved an old hair. He is trying to find him, the road passed through German soldiers, and Ilija decided to ask how much was a conflict. Bathroom colors are divided into two cycles. He knew Stevan with suitcases, who told him to leave "R Å3/4truvo for the circle" in à Vedska. Canceled and praising the horse he did not even notice the misunderstanding of Radet's grandfather of history and anger. This caused a fruity gift. Lower was in love with nature, and the end of Loyky in which she lived. That's why she called him an incredible effect. Although he was calm, he hid deeply in himself to hide from dominant and dazzling life. Every spring in the grandparents of him would, almost overnight, behind his blackened and spear fences, the black bush bloomed. The previous guest, Petrak, came a day before Miolian, was the most common evocation. In 1942, she was with the main road to a town, her war did not hurt her. While the last HuA © Spedes of Miolidan broke, Petrak was hanging around the Samara beating, the Radeta on the Vrenac horse, gathered a horse and began to make a new Samar. It has been an unusual relationship between them, and Branko approached him. Often, he had to do with Brank's godfather from the barrier, a villager who did not see the world, unlike a mulic who traveled constantly and had no home. Wrapped in newspapers, he took him secret home and the same night, \tilde{A} a ℓ ℓ η \tilde{A} ℓ \tilde{A} \tilde{A} ¬". ". Our sudden shelter is temporarily favored when they go to new adventures together. The utic was officially discovered with the birth. That is why he was the respondent, suffering from insomnia and, finally, in the back, singing a song about Marijani, due to the woman, Stern's screams would cry. Where, in the first (, \ "Morning Blue Szasz\ a ¢ â,¬), we get to know,, â € opic, here is the early childhood and happiness related to the grandfather Rade. Landscape colors this collection of narratives, o \ ã ¢ â,¬ at the best of the defense has abandoned the hills of the weed A Muslim about his son grandfather, who was in the enemy Art. Cut off.

Bašta sljezove boje obrađena lektira književnika Branka Ćopića. Lektira sadrži detaljan prepričani sadržaj, analizu dela, književne elemente, analizu dela "Bašta sljezove boje" simbolično je posleratno delo pisca Branka Ćopića.
