Sizes teach children about vocabulary like small, dio and big. You can also work on comparison as larger and smaller. Ordinal, second, third, etc. Many children are difficult to learn their ordinal numbers. The history of Train Billy Goats Gruff can help you reinforce this vocabulary. We also have a post in ordinal no. If you need more help with that. The past all who are learning English probably need to review their past conjunctions. Stories like this can help you reinforce past tense verbs without resorting to flat flashcards or tedious spreadsheets. More questions about Youtube? We do our best to have all the resources we think you will need. If you have any life or need anything else, he'll hesitate to comment on this post so we can help you.
