Ultraman geed forms

The word "gene" refers respectively to the DNA of each ultras, contained within the ultra capsules. Riku would later be taken to be treated by the daughter of the Aizaki family, à ¢ moaà ¢ as they bound together towards their liking for "Don Shineà ¢ and growing inspiration to become a hero. His surname could refer to the fact That his father caused dark times in the land of Lightà ¢ invading him. Hand mills: like Ged Magnificent, sports protectors Small cutters that can be used for attacks. Alternatively, as the Cloned Son of Belfal, brings almost identical genes. To his father. This has led to the pendulare of the ultra capsule father, using it with the zero capsule to turn into magnificent geeds and renews his spirit fighting against the destiny he had already imposed him, before reconquering his stolen capsules from Kei defeat while maintaining assistance from scratch. They are more developed in the form of solid burning and seem to cover its entire body in armor, especially on the chest And on the shoulders. He then played his father in a heated battle using all his forms available while dragging the battle from the moon on earth before destroying his father with his real line in his form of Royal Mega Master after receiving King's capsules from Laiha. History Discovering its identity during the past, Geed was created by Ultraman Belfalà ¢ and Kei Fukuide, essentially creating an artificial Ultra creating Riku Asakuraà ¢ from the genetic material of Belfal. After defeating Kei as Thunder Killer and Zaigorg, Riku met Rem's Android body after escaping the Nebula House as Kei had taken over with strength. Whenever he starts a special ability, he's eyes illuminated. With none of him friends of him offered to resort to him, he decided to rest Local until it was sent to the underground base by the Re.M. And presenting him a set of risers and capsules. Of course, Riku also immediately learned of his own Inherità as a son of Belial from the operator of the Nebula House, Ã, re.m .. For 'seed', this can refer to how the mock from the genetic material of Belfal has been cultivated. Clarke. This shakes the will of him until the possession of Eri of Star Star made him refer to Dadaà ¢ and from Skull Gomora again renounced his will to fight. In time Riku has acquired, new shapes from the capsules he got and joined by his nemesis of his father-ultraman zero. He is based and inherited from Eyeseven 'Eye Slugger. ASA (Ã|Å "): Kanji for [Epoch / Dynasty Kura (Ã|Å -): Kanji is dark / painful / bitter. The Riku etymology found the name itself, and derives from his motto "sitting around, do nothing will take anything away! Temoà ¢ à ... nimo naran㤠"!)", Although it is later confirmed later in the series that comes its name the words "gene" and "destiny", with Ď and and in "Destiny" exchanging places. Riku transformation First of all active a couple of ultra capsules, making Ultras appear appearance while inserting them into the loading hazel. Riku (Ã â "¢ Â.): Kanji on the ground. It is also known that its name is a reference to the writer Late science fiction, Arthur C. However, thanks to its positive education as a human and zero guidance, Riku turned against his creators and proves himself to be his person despite his dark origins. Not satisfied with leaving (even if it comes Diagnosed an incurable disease), the man who appointed him, Riku got the father of the Ultra capsule and L Or he used with zero to access Geed Ultraman Magnificent, preparing a counterattack against Kei / Pedanium Zetton while making it clear that he would follow him the path. Inside chimeraberos, the beauty will slowly corrupt Riku to escape from Chimeraberos like Geed. With Going through time, in the end it moves on an apartment above his workplace, Galaxy Galaxy And he named him as Nebula House (Ã) ~ Ã Ã ©> Å² ~ Ã Ã ã, Seiun SÃ ¥ u). His defeat of Kei and the theft of all, except a capsule left it defused until he met on the Asakura, the man he appointed and looked at him with his little star. In its master form of Royal-Mega, Gede Sport a ray lamp that is red. Melting increased armor: in its shapes of solid and magnificent burning, the gesture has an additional armor on the chest, on the shoulders and on the hands. Human Asakura ($\tilde{A}|^{a} - \tilde{A}$): It is a proper name without meaning, however it can be divided. 19 years later, after a series of events that led to the adoption of the young boy of his cloak as a ultraman (to whom he beats as "Geed ultraman"), Belfal and Kei put their long-term plane to fight against the Monster attacks collecting ultra-ultra capsules from small star guests. GALLERY PROTECTORÃ ¢ ($\tilde{A}fae'-\tilde{a}fae'\tilde{A}, \hat{a} \in \tilde{A}f$ control of itself and resume the nebula from Kei. After learning the true nature of Kei Fukuide as Belial cohorts, Riku's curiosity leads him to discover that the purpose of birth of him. Even with the help of zero, Geed's effort to take revenge becomes unsuccessful and was kidnapped by Chimeraberos while the Belial tried to absorb / corrupt his son until the king's operation of the ultraman king foiled the plan of him. Regardless of the opinion of the public regarding the attraction (its resemblance to the beauty or the fact that the fidelity of him is still ambiguous), Riku decided to use his new power to protect humanity. last final form and some of his exclusive exclusive exclusive games of fusion forms, Gede Sport a cystic diamond-shaped in his forehead. In the shape of a child, it was left to an observatory above their base of operations. Ultra the name of him could also be derived from the words "gene" (à â x 4 A ° ¢ Shäâ « DO) Knowing the true nature of him, Riku took the opportunity to turn them into an anti ultramanaà ¢ for the first time and made his first kill on the same monster who attacked his previous house. It is the synthetic son of the infamous Reionic Ultra, Ultraman Belfal, created by Kei Fukuide outside the genetic champion of the former as the pedestrian of their plane in recovering enough small stars that then stored inside Ultra capsules, an attempt that can be Made only by an ultra warrior. The meeting of him with a mysterious laiba toba girl, giving her shelter in her new home in exchange for information. The joy of him however shortly duration when he discovers the true nature of him as the son of instigator of the impact of the crisis impact. On a normal day, Riku, Pega and Haruo survived the attack created by Skull Gomoraà ¢ but left the homeless after that. In front of the fate of him in the middle of a fight against God Wynn, Riku as Geed finally comes to face with his father Belfal. During his first fight with Pedanium Zetton, Riku learned the real goal behind him and theft of everyone, but a capsule made him helpless until his meeting with the Asakura, the man who gave Riku the Name of him. When it is corrupted by Belfal, they become red. Despite the defeat of his father, Kei claimed to have inherited the would have faced the monsters summoned by Kaiju capsules of Kei or even face kei directly later Kei turns into branch mellar monsters. He provides most of these when they turn into its real form of mega-master. In addition to this, Geed as Riku spent many years not to know the past of him, until he is knowledge of him knowledge Its real sã ©.
