Did you take it? Test yourself on the concepts discussed in the video above using self-classification quiz questions below. In reviewing, which of the following questions should you ask? Choose all relevant options. When you change, which of the following questions should you ask? Choose all relevant options. Analyze some examples We want to give you some examples of student writing processes so you can see what they look like. Read the situation; Then, read every example and answer the following questions. The situation Dr. Downey asked his class to write the following topic: McDonalds was an Olympic sponsor for many years, including 2010 winter games in Canada. The theme of the countryside this year was a eating like an Olympian. ¢ This theme was criticized for sending a wrong message to children about the nutritional value of McDonalds' foods, especially because Olympic athletes Generally follow rigid diets (no burgers and fries) when they are training. A group of students at national level is considering an letter campaign asking McDonalds to resign as an Olympic sponsor. Do you think McDonalds should resign? Petra's reply to the situation by writing from Professor Downey Questions about the Perta's reply for the writing situation from Dr. Downey If PETRA is being reviewed, you because you have highlighted that you probably her says Tesi and Topic phrases? Topic Phrases from Petra Support the thesis statement of her? Why? Pierre's reply to the situation by writing from Professor Downey Questions about Pierre's reply to writing situation from Dr. Downey Pierre has largely highlighted grammar problems in him. Pierre should add the following to at least one of him. Pierre could make which of the following changes to his last paragraph. Assembly: congratulations, suggestions, and correctionsediting: congratulations, suggestions, and key correctionsthe for a strong story is superb editing. Students are invited to read the story, then come with compliments, suggestions, and corrections to improve the story.4th grasseading and writing Practicing recognizing defective parallel construction by filling out the printable sheet.
