This week: Now that we are a few weeks in our New Year's resolutions, we are with music about giving up.The Smiths       "I Know That OVER j j ~         (1986) Here       What many people lose about Smiths in general, and Frontman Morrissey in particular: their music are funny. Not all of them, remember you. But even in the beginning, when the band sang the Tastes of         "Keaven knows that I am miserable now        " There was often an exaggeration element that could be read like wit. It is a difficult, but rewarding trick, to record music that produces a genuine emotional response, even while blinking for the public. For anyone who doubted that Smiths could be hilarious, the third album of the band the queen is dead clarified the subject. The anger and justice of those canan Previous ones have always changed so slightly in                                    , ~           ~   "Bigmouth Strikes again                 ~ joined an unexpected air of whims like         ~ "Frankly, Mr. Shanky          and         Vicate in a tutu.                     That is difficult to stick it as totally direct. An act of typically perversity of Smiths-Ian, but the band sequenced "I had no one ever" immediately after the other "bastard". Ballad                         Good Electry to some gently flashy accents, as spare and elegant as the synthesized chain arrangement that arises, sporadically, songwriting. Case contrary, the configuration is clear. Marr adds his accurst guitar in silence, while the bassist Andy Rourke plays the nearest thing "I know it is about" has a melody, and drummer Mike Joyce alternates between a simple tick-tock beat and small rhythmic flourishes. While This, Morrissey Detach Mo Court. It opens with a silent-but urgent cry for help - the mother, I can feel the soil falling on my head - and then passes the next five minutes the excavator at self-pity, Breaking down, in demanding details, why he is so indifferent.In Simon Goddard is essential (for the SM Fan ITHS) that saved your life, the christian describes how Morrissey retains his lyrics from his companions until the instrumental strip had been entirely concluded. So Marr watched his partner entering the booth and delivering a vocal performance that was like a piece of intense theater, playing in real time - full of amazing turnarounds and bold movements. Especially noticeable is the intermediary part of the song, where the singer inserts, discarding what he realizes as his best qualities - how to be "and" and "ccver", asking, more or more     "So why are you tonight?       Describe Goddard       "I Know That Mais - One of the Canvas Morrissey's most challenging ears, largely because of this passage, which he says forces those Smiths fans who identify with the worldwide fatigue of the singer to           Its own insecurities of base         ~   "Self-disgust resolute. But for those same fans hardcore         "I know"   s over is fascinating As a partner partner for the queen is dead the other indispensable songs -               The mile with the thorn at his side;     "AJA     A Light That Never Sai. One of the reasons why the chories that did not like the blacksmiths and meat is murder jumped on board with the third owl is that all three songs reveal a subtle, more melancholy raw maturation Dark gloomy. They are not funny - not even in an ~       "undo  j So horrible that you have to laugh at the way.  ,       "I Know That  j     ~ It can be read as dangerously nihilist   "Like the last words of someone's leading But in the context of the rest of   produ s  the Smiths, the meaning of m sica     much richer. In previous  ilbuns the Morrissey suffering moans were usually lined thick: he was saying that was what was on his mind, but bluntly that bordered on caricature, with a little crater is   INSTANCE. But the f h j nothing in length bra so on       ~ I know       more. When Morrissey sings     ~ ISTA t     j the easy laugh.     t    o   easy dio,     takes guts to be gentle and kind, "he n    ESTA jcongratulating himself... he est j repenting of what he believes he never ser j And no part est j smiling the Etsy n    o     more support older versions of your Web browser in order to ensure that usu rio data permane sam safe.
